PROGRAMA DE PÓS-GRADUAÇÃO EM ENGENHARIA QUÍMICA

MASTER'S AND DOCTORAL SCHOLARSHIPS FOR FOREIGN STUDENTS!

The UFSC Graduate Program in Chemical Engineering (PósENQ) is offering positions for international students to pursue Master's and Doctoral degrees.

Scholarships are available through the CAPES Graduate Student Agreement Program (PEC-PG). Students from Latin America, Africa, Asia, and some European countries are eligible.

Accepted languages: Portuguese, Spanish, or English. Register by September 29, 2025 (5:00 p.m.) through the link: <https://inscricao.capes.gov.br/> for the course to begin in March 2026.

Contact PósENQ (posenq@contato.ufsc.br) or directly with the faculty advisors (<https://posenq.posgrad.ufsc.br/programa/docentes-2/>) for assistance with your registration.

[Complete CAPES Announcement](#) and a Summary of Requirements and Required Documentation (in Portuguese).
